ORDER DISMISSING APPLICATION FOR REVIEW

This case is before the Compensation Review Board ("CRB") on Employer-Petitioner's January 14, 2013 Application for Review ("AFR") of a Final Order issued on December 17, 2013 by the Office of Workers' Compensation.

On February 26, 2013, Employer's counsel notified the CRB that the parties have settled this dispute and requested that this matter be remanded to the Office of Workers' Compensation.

Therefore, Employer's January 14, 2013 AFR is dismissed without prejudice to request reinstatement in the event the proposed settlement is rejected. Any request for reinstatement must be made within 20 days of an Order denying the proposed settlement.

This matter is remanded to the Office of Workers' Compensation.
